BALL CONSTRUCTION

1. COVER
The cover material provides superior grip and soft feel while maintaining our rigorous standards for material strength and abrasion resistance.

2. CARCASS
The carcass provides structure, shape and protection for the inner components.

3. WINDINGS
Windings add structural integrity and durability to the construction of the ball.

4. BLADDER
The high-end bladder maintains the ball’s air pressure for proper inflation and extended air retention.

LAMINATED
Laminated construction uses leather or composite panels. These panels are fixed onto a rubber carcass by hand in order to provide athletes with the highest quality basketballs available. The versatility of this ball construction gives players the ability to take their game to the next level.

+ Target: Competitive Play

MOLDED
Molded construction is used on outdoor basketballs and provides increased design capabilities and a wide range of available color and graphic options.

+ Target: Recreational Play

SIZES

- **29.5” / SIZE 7**
  - Official Size
  - 12 years and older

- **28.5” / SIZE 6**
  - Intermediate
  - 9 to 12 years

- **27.5” / SIZE 5**
  - Youth
  - Up to 9 years

- **22” / SIZE 3**
  - Mini
  - Up to 7 years

ICONS

- **An indoor ball is designed exclusively for indoor playing surfaces. These balls are constructed with leather or high-end composite covers.**

- **Outdoor basketballs have a durable cover that can withstand rougher playing surfaces.**

- **Indoor/outdoor basketballs are suitable for all types of playing surfaces.**

- **Balls approved by the National Federation of High School Associations.**

- **Colored rubber with a unique color mixing technique that makes each ball different from the next.**

- **Ability to add custom laser engraving decoration to specified styles.**

- **Ability to add custom digital print multi-color decoration to specified styles.**
DECORATION

LASER ENGRAVING & CUSTOM PRINT

Three-week lead time for laser print added to any stock product. Request a mock-up: send the logo to your customer service representative and let them know which ball you would like mocked-up. Approve mock-up and send purchase order with approved art.

When we developed the first ball in 1894, we didn't follow the competition, we set the standard. We didn't just create the ball, we built a reputation, a legacy. We don't forget where we started, but we plan for the future. We never stop innovating; never stop searching for opportunities to improve, always adapting to meet the changing needs of the player and the game.

For every W and every L, the ball is the constant—something you can always rely on. It holds dreams to something better, an opportunity to escape reality, and it unlocks potential on any stage.

No matter the stakes, time, or place, we play our best with TF™.

TF™ MODEL M™

LEATHER GAME BALL

The ball the pros play with? Yeah, this is the one.

When we developed the first basketball in 1894, we didn’t follow the competition - we set the standard. Over 125 years later, we continue to evolve and innovate alongside the game we’ve grown with since day one.

Built for a game that champions originality and history equally, the Spalding TF™ Model M™ is constructed from genuine Horween leather - made exclusively for the hardwood. The grip turns butter-soft the more it’s used so it can bounce, cross, float, and spin in the hands of the legends who hoop with it.

Bring out the pro in you with the Spalding TF™ Model M™.

KEY FEATURES:
- SUPERIOR GRIP: The Model M™ is wrapped in full-grain, premium leather that softens for superior handling the more it’s broken in
- SHOOTER’S TOUCH: Spalding Shooter’s Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- ELITE PERFORMANCE: Rotationally balanced butyl bladder provides ultimate air retention, and nylon windings provide excellent structural integrity

SIZE 29.5” / ITEM # 77015
SIZE 28.5” / ITEM # 77234

The ball the pros play with? Yeah, this is the one.

MADE FOR THE GAME
Built for the most clutch moments, the Spalding LEGACY TF1000™ has no equal. It’s NFHS approved and used by some of the top college and high school programs in the country.

From crossovers to pulling up from the logo, the LEGACY TF1000 basketball’s moisture management capabilities create a dry surface for ultimate ball control. The wet grip microfiber composite cover has a game-ready feel right out of the box, and provides an elite moisture-wicking surface so the ball plays at the same high level from tip off to crunch time.

Lift your game to new heights with the best-in-class LEGACY TF1000™.

**KEY FEATURES:**
- BUILT DIFFERENT: Wet grip microfiber composite cover moisture management system wicks away sweat to maintain superior handles
- SHOOTER’S TOUCH: Spalding Shooter’s Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- ELITE PERFORMANCE: Rotationally balanced butyl bladder provides ultimate air retention and nylon windings provide excellent structural integrity
- RECOMMENDED FOR INDOOR PLAY ONLY: Built for hardwood hooping

**SIZE 29.5” / ITEM # 768138**
**SIZE 28.5” / ITEM # 768148**
ANYTIME. ANYWHERE.
The dry grip microfiber cushioned cover gives it a soft game-ready feel right out of the box. It’s the light color that makes the PRECISION TF1000™ stand out, but it’s the exceptional control that will make it your favorite ball.

From tip off to buzzer, the game is in your hands with the PRECISION TF1000™.

**KEY FEATURES:**
- **BUILT DIFFERENT:** Dry grip microfiber composite cushioned cover creates exceptional grip and control
- **SHOOTER’S TOUCH:** Spalding Shooter’s Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- **ELITE PERFORMANCE:** Rotationally balanced butyl bladder provides ultimate air retention, and nylon windings provide excellent structural integrity
- **RECOMMENDED FOR INDOOR PLAY ONLY:** Built for hardwood hooping

**SIZE 29.5” / ITEM # 768158**
**SIZE 28.5” / ITEM # 768168**

Got game? We got the ball.

Designed to stay at peak performance season after season, the PRECISION TF1000™ provides best-in-class grip for the elite-level players that hoop with it.
MADE FOR THE GAME
The best all-surface ball in the game, the Spalding EXCEL TF500™ is the unofficial ball of pick up games everywhere. Its soft sponge backing and tacky grip feels like Spalding’s best indoor balls with the durability of an outdoor one.

Designed with supreme grip, the EXCEL TF500™ sports an all-surface composite cover to maximize performance whether you’re on the driveway, at the park, or in the gym. True to its name, this is the ball that will level up your shooting, dribbling, and passing, no matter where you’re hooping.

Raise your game anytime, anywhere with the EXCEL TF500™.

**KEY FEATURES:**
- **RAISE YOUR GAME:** Sponge backing and tacky feel creates maximum grip and handling
- **SHOOTER’S TOUCH:** Spalding Shooter’s Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- **ALL SURFACE PLAY:** From the driveway to the gym and everywhere in between

**SIZE 29.5” / ITEM # 768178**
**SIZE 28.5” / ITEM # 768188**
**SIZE 27.5” / ITEM # 768198**
The court is a canvas and the ball is your brush. Unlock the creativity of this beautiful game with the Spalding REACT TF250™ All Surface Basketball.

Spalding’s iconic grip will have you in control of your game at all times. Whether it’s the behind-the-back pass you’ve been perfecting or the last second half court heave you’ve been practicing, the REACT TF250™ is ready to ball at all times. Its all surface performance composite cover guarantees that you’re set no matter when or where the game is.

The game is calling. Answer the call with the Spalding REACT TF250™.

**KEY FEATURES:**
- **GRIP IT:** All surface performance composite cover gives the ball a solid grip for total control
- **SHOOTER’S TOUCH:** Spalding Shooter’s Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- **ALL SURFACE PLAY:** From the driveway to the gym and everywhere in between

**SIZE 29.5” / ITEM # 768208**

From the driveway to the park and everywhere in between, it’s game time!

The Spalding VARSITY TF150’s™ all-surface performance rubber construction can stand up to the roughest courts and conditions. It features Spalding Shooter’s Seam™ design that helps get your fingers aligned without a thought and provides better ball control during drills, shoot arounds, and games. It ships to your door inflated and ready to go, so you can start putting up threes, crossing over defenders, and driving the lane right out of the box.

The Spalding VARSITY TF150™ is the easiest ball to start writing your basketball story with. Let’s ball

**KEY FEATURES:**
- **GRIP IT:** All surface performance rubber cover gives the ball a solid grip for control
- **SHOOTER’S TOUCH:** Spalding Shooter’s Seam™ is designed for instant ball recognition.
- **ALL SURFACE PLAY:** From the driveway to the gym and everywhere in between

TRAINING AIDS

Shooting and Ball Handling: Emphasize and develop proper shooting form and strengthen ball handling

Defense and Agility: Improve agility and decrease response time by enhancing muscle memory

Speed and Strength: Develop muscle endurance and increase speed to outperform the opponent

Jumping and Rebounding: Explode with power into your jumps and compete for rebounds

THE NEW SPALDING® TRAINING AIDS WILL HELP ELEVATE YOUR GAME.
**Blocking Pad**

**Item # 8483SP**
- 24”x18”x4” blocking pad designed to initiate contact during training drills
